**"Poor Miss Finch." That is what everyone calls the courageous protagonist of this book. In other words, "poor thing, she's blind, isn't it awful?" Ha! Lucilla Finch is the wisest of all the characters, in spite of, and perhaps because of, her blindness. This story is about her trials, tribulations and triumphs. She reminds me of myself. Not the falling recklessly in love and being pulled this way and that by foolish young men and mad old doctors. I mean that, like her, I'm blind and proud of it! (Introduction by Sandra G)**
